### **2010 APPLICATION INSTRUCTIONS PLEASE FOLLOW CAREFULLY!**

Students interested in applying for a 2010 Coral Springs-Parkland Rotary Club scholarship may download the application as well as these instructions from the web site listed above. The form is in .pdf format and requires Adobe Reader or similar product to be completed on a computer. Adobe Reader is free and a link is available on the Scholarship page of the above web site.

Please note that students are able to input information directly into the form and save the completed form onto a computer using Adobe Reader. Once finished, the application may then be printed and a copy saved. Applications must be delivered as instructed below. Only legible hard copy applications with original signatures and all required attachments will be considered complete and eligible for consideration.

If you are completing the application using the writable .pdf form, PLEASE NOTE:

- Be sure to click on the school drop down box to display your school name.
- Fill in pale yellow boxes with requested information; in some cases numbers are the only appropriate/accepted answer. Some boxes will accept only yes/no answers from pull down. Where check boxes occur, select only one per question answered.
- Boxes that require narrative answers allow you to type as much as you like, adjusting type size to allow for more. However, if your answer is lengthy you may wish to attach a separate sheet of paper to ensure readability.

Sign and date you application and return it to the appropriate person at your school by the date shown below.

Scholarships in the amount of \$1,000.00 each will be awarded to graduating seniors at each of the following schools: Coral Springs Charter, Coral Springs High, Coral Glades, J.P. Taravella and Stoneman Douglas.

Submit any questions via the "Contact Us" link on the above web site.

**GOOD LUCK! APPLICATION DEADLINE IS APRIL 15, 2010.**
